OIML Member state The Netherlands

OIML Certificate N° R76/1992-NL1-08.23

Project number 805846 Page 2 of 2

This Certificate attests the conformity of the above identified type (represented by the sample or samples identified in the associated Test Report, the type-approval certificate and the description with number T2206 and the appertaining documentation folder) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R76

Edition 1992 (E)

for accuracy class (II), (III) or (III)

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by the results of tests and examinations provided in the associated **Test Reports:**

N° 504169A that includes 45 pages;

N° 504169B that includes 16 pages;
