OIML Certificate No.  
R117/1995-CN1-09.01

# OIML CERTIFICATE OF CONFORMITY

## Issuing authority

Name: Office of OIML Affairs, General Administration of Quality Supervision, Inspection and Quarantine  
Address: No.9 Madiandonglu, Haidian District, Beijing, 100088 China

## Applicant

Name: **Censtar Science & Technology Co., Ltd.**  
Address: No.4 Xuesong Road, High-Tech Development Area, Zhengzhou, (100023) P.R.China

## Manufacturer of the certified type (if the manufacturer is not the applicant)

Name:

Address:

## Identification of the certified type

**Characteristics:** Fuel dispenser

| Maximum price to pay (number of digits)          | 6                             |            |            |                                  |            |            |
| Maximum total volume or price (number of digits) | 10                            |            |            |                                  |            |            |
| Voltage  | 220V/380V                     |            |            |                                  |            |            |
| Operating Temperature range                      | (-25 ~ 55)                    |            |            |                                  |            |            |
| CS30J1110G                                       | 1 product, 1 hose with pump   |            | CS30D1110F | 1 product, 1 hose without pump   |            |            |
| CS30J2120G                                       | 2 products, 1 hose with pump  |            | CS30D2120F | 2 products, 1 hose without pump  |            |            |
| CS30J2220G                                       | 2 products, 2 hoses with pump |            | CS30D2220F | 2 products, 2 hoses without pump |            |            |

### Comprising of: (for the type of CS30J2220G)

Two CSP03 combined pumps and gas eliminator devices      Two CS3101 display boards  
Two YBJYb803-4 motors for 380V/1.1kW                      Two ASCO solenoid valves  
Two YBSC96L2-4 motors for 220V/1.1kW                      Two CS3100 main boards  
Two LLJ05 flow meters    Two CG04 sensors

The numbers of the associated test reports and the included pages: 2008 OM 001 61 pages

This certificate attests the conformity of the above-mentioned type(represented by the samples identified in the associated test report) with the requirements of the following Recommendation(s) of the International Organization of Legal Metrology (OIML).

R: R117 & R118

Edition: 1995

For accuracy class (if applicable): 0.5

This certificate relates only to the metrological and technical characteristics of the type of the instrument concerned ,as covered by the relevant OIML International Recommendation(s).

This certificate does not bestow any form of legal international approval. The conformity was established by tests described in the associated test reports.

The issuing authority

October 20, 2009

The CIML member

October 20, 2009

Important note: Apart from the mention of the certificate's reference number and the name of the OIML Member State in which the certificate was issued, partial quotation of the certificate or of the associated test report is not permitted, though they may be reproduced in full.
