OIML Certificate no R129/2000-NO-06.02  
Project number 04/1068-4165  
Page 2 of 2

This certificate attests the conformity of the above-mentioned pattern (represented by the samples identified in the associated test reports and the type-approval certificate with number N-12/2006-1068), with the requirement of the following Recommendation of the International Organisation of Legal Metrology (OIML):

R129 Edition 2000 (E)  
for accuracy class A:  $d \leq 2$  cm

This certificate relates only to the metrological and technical characteristics of the pattern of the instrument concerned, as covered by the relevant OIML International Recommendation(s).

This certificate does not bestow any form of legal international approval.

The conformity was established by tests described in the associated test reports:

Norwegian Metrology Service, T01/2005, which includes 73 pages  
NEMKO, 42267 rev 1.0 which includes 45 pages

06 June 2006

06 June 2006

The CIMI member

The issuing authority

Dr. Helge Kildal  
Director General  
Norwegian Metrology Service

Mr. Alf Magne Andreassen  
Senior Engineer, Legal Metrology

**Important note:** Apart from the mention of the certificate's reference number and the name of the OIML Member State in which the certification was issued, partial quotation of the certificate or of the associated test report is not permitted, though they may be reproduced in full.
