

Director of the International Bureau of Legal Metrology

BIML 2025 N° 120/AD-pst-g

4 March 2025

**To: CIML Members
OIML Corresponding Member Representatives**

Subject: The International Bureau of Legal Metrology (BIML) welcomes Dr Janet R. Miles

Dear Colleagues,

I am delighted to inform you that Dr Janet R. Miles has joined the International Bureau of Legal Metrology (BIML) in the role of Digital, editorial, reporting, and communications.

Amongst the priorities for the role, Janet will develop and deliver digital services for the Organisation. Our approach will incorporate a "think digital first" approach and strategy for delivery. This work will be informed by the strategy, policy and implementation approaches developed by the OIML Digitalisation Task Group.

Janet has many years of experience working as Editor at the BIPM, first with responsibility for their publications and website, then as Editor-in-Chief of *Metrologia*, the BIPM's international journal of pure and applied metrology, and more recently she has led the BIPM's digital transformation programme and launched the first digital services on the SI Digital Framework. She thus brings a wealth of knowledge and experience to the organisation to coordinate, develop and enhance digital and IT services across the board.

Please join me in welcoming Janet to the Organisation.

Faithfully,

Mr Anthony Donnellan
BIML Director
