New COOMET Secretariat & Presidential Council

Realizing the importance of the awareness of the OIML Certification System for COOMET member-countries, and with a view of better promoting the OIML-CS activities among the Russian-speaking COOMET members, Russia has undertaken the translation of the UNIDO-OIML Brochure (2019 edition) into the Russian language.

The translation has been peer reviewed by three countries (Belarus, Ukraine and Uzbekistan). The corrections and suggestions sent by the named countries were taken into account.

COOMET has plans to arrange a seminar on OIML-CS
